CROMMELINS DIFFERENCE

CROMMELINS has always been at the forefront of innovation within the Australian market and this has been powered by the experience of its staff in listening to what the customer needs and introducing products that meet the demands of the industry. All products are rigorously tested

and constantly reassessed to ensure they can outperform. With more than 60 years in Hire and Construction and a founding member of the Hire and Rental Industry Association, Crommelins has been providing high quality portable powered products to Australians since 1958.

PREFERRED SUPPLIER TO THE HIRE INDUSTRY

Over their long history, CROMMELINS has laid a foundation of reliability and trustworthiness and have built healthy relationships within the Hire and Rental industry.

AUSTRALIAN OWNED, EST. IN 1958

With a long Australian history you can trust that CROMMELINS will always do their best to look after Aussie needs.

QUALITY PRODUCTS

Moving forward doesn't mean letting go of the quality products they are known for. You'll always be able to rely on and trust anything from THE CROMMELIN GROUP.

NEW PRODUCTS, INNOVATIVE TECHNOLOGY

CROMMELINS continues to invest in new generations of products and the latest technology. Only products that stand-up to their rigorous testing will receive the CROMMELINS tick of approval.

RELIABLE SERVICE

When you've bought a product, CROMMELINS will go that extra mile to assist you when you need parts, service or backup support.

CUSTOM PRODUCTS

CROMMELINS products can be customised to meet your needs thanks to the flexibility their local manufacturing capacity allows.

PRESSURE CLEANERS

CHOOSING A PRESSURE WASHER.

Crommelins petrol, diesel and electric powered high-pressure washers are power packed to rapidly and effectively wipe out all the washing, degreasing, descaling and disinfecting problems that are part of every working day in commercial and industrial situations.

FOR THE HOME

- Strip paint flakes off walls and garden furniture
- Remove stains and mould from brick paving and limestone
- Wash grease and oil from driveways
- Clean gutters and pergolas.

FOR INDUSTRY

- Clean agricultural equipment and other machinery
- Remove paint flakes
- Wash grease and oil from workshops
- High pressure water cleaning.

PRESSURE WASHER TERMS

- **PSI** - Pounds per square inch which determines how much pressure is directly applied on the surface being cleaned.
- **LPM** - Liters per minute
- **Water Flow** - The maximum amount of water that can flow through the lance.
- **Purge** - A method of eliminating air from a pressure washer so that starting it is easier.

CUSTOM OPTIONS (SOME MODELS)

- Electric start
- Honda powered
- Mine specification
- Long range fuel tank
- Bunding
- Fire extinguisher
- Emergency safety stop
- Lockable battery isolator
- Lockable recoil start
- Plant numbering
- Anderson jump start
- Custom frame colouring

Note: Both PSI and LPM are important for effective cleaning. The higher the combination of these numbers, the stronger the cleaning.

WARRANTY EXPLAINED

Crommelins Machinery warrants their goods against defects in materials and workmanship under normal use and service.

The Crommelins Machinery warranty does not cover fair wear commensurate with the age of the product, any damage caused by accident, abuse, misuse, neglect or failure to observe proper operating instructions or proper machinery maintenance as described in the instruction manual.

It is the owners responsibility to regularly maintain a product in accordance with the owners manual and only use the equipment for its designed purpose.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

CONSUMER ADVICE

Any claim under these warranties must be made within warranty period from the date of purchase of the product.

To make a claim under the warranty, you must return the product (with proof of purchase) to the closest warranty agent or to the place of purchase.

Where a failure does not amount to a major failure, Crommelins Machinery is entitled to choose between providing you with a repair, replacement or refund. To obtain compensation, you would need to provide documentary evidence of the loss or damage suffered, and documentary evidence that such loss or damage was a reasonably foreseeable consequence of a failure by Crommelins Machinery to comply with a consumer guarantee under the Australian Consumer Law.
